ANKIT JHA

Kolkata, India | +91 7980318952 | jhaankitjha03@gmail.com | LinkedIn | GitHub | Portfolio

ABOUT ME

Detail-oriented B.Tech Information Technology student with a CGPA of 9.33, specializing in full-stack web development using the MERN stack. Experienced in building responsive and scalable web applications with a focus on frontend performance, system integration, and user experience. Strong foundation in debugging, cross-browser compatibility, and agile development practices.

EDUCATION

B.Tech in Information Technology | 2023 – 2027
Heritage Institute of Technology | **CGPA: 9.33 / 10**

P.B Academic School | **ISC – 90%** | 2022
PB Academic School | **ICSE – 91%** | 2020

TECHNICAL SKILLS

Languages: Java, Python, C, JavaScript
Frontend: HTML5, CSS3, Tailwind CSS, React.js, Next.js
Backend: Node.js, Express.js
Databases: MongoDB, SQL, Firebase
Tools: Git, GitHub, REST APIs, Local Storage
Concepts: Data Structures, Debugging, Cross-Browser Testing, Responsive Design, System Integration

PROJECTS

PowerBill – Electricity Billing Web App

- Built a full-stack system with automated bill generation
- Implemented secure authentication and admin management
- Designed a user-friendly interface for billing and usage tracking

Student–Alumni Networking Portal (MERN Stack)

- Built a full-stack electricity billing system with automated bill generation
- Implemented secure authentication and admin management features

Placida – Mental Health Platform (MERN Stack)

- Developed a user-friendly mental health platform for awareness and support
- Ensured accessibility, responsiveness, and performance optimization

Rooftop Rainwater Harvesting Application

- **Built using Next.js, Python, and Firebase for data-driven analysis**
- **Integrated backend logic with real-time database for accurate insights**

ACHIEVEMENTS

- Smart India Hackathon Finalist (2025)
- Active problem solver on LeetCode : Ankit_Jha_IT
- Completed Backend Development Certification (Udemy)
- Certification Links: My Certificates
